Dear Richard

Re: Sureguard Plates

In the opinion of Civil & Structural Consults Ltd, trading as Haigh Workman, the Sureguard Plates are suitable for use to help shield concealed services as described in the Sureguard Plate Product Technical Statement when installed and used as specified in the Installation Instructions for Sureguard Plates. They comply with the requirements of the New Zealand Building Code and the Acceptable Solution, cited standard NZS3604: 2011.

Yours faithfully,

HAIGH WORKMAN
